

The Heritage Group Science Camp Drop-off and Pick-up Procedures

All campers should be dropped off/picked up using the new bus/freight drive.

To Access the Bus/Freight Lane:

Follow the yellow arrow on the map below. From the Children's Museum crosswalk on Illinois St., drive north to 32nd St., turn right/east on 32nd St., turn right/south onto Meridian St. The Children's Museum bus and freight drive is the first drive on your right after you turn onto Meridian St. Address for your GPS is 3130 North Meridian Street, Indianapolis, 46208.

Procedure – Turn right into the drive. The bus/freight drive is two lanes that run in the same direction. Stay in the **left lane** and proceed until you reach the STOP sign or cars that are already stopped in the lane. Wait to pull forward to Entrance 4 until a member of the museum's staff indicates that it is safe to pull forward. Several cars will be loaded/unloaded at the same time and then will be permitted to exit the bus/freight lane onto Meridian Street.

Drop-off Time: Staff will not be in place until 8:45 a.m. Please do not line up in the freight/bus lane before 8:40 a.m.

Pick-up Time: Campers will not be ready for pick-up until 3 p.m. Please do not line up in the freight/bus lane before 2:50 p.m. There is a possibility that buses will be in the same space picking up camp groups. The Children's Museum staff will manage the pick-up process to ensure the safety of everyone involved.

Late Arrival/Early Pick-up: If you need to pick up your camper early or are dropping off late, you are required to park in The Children's Museum Garage which is located on the west side of Illinois Street. You will need to walk into the Welcome Center and stop at the Security Desk. Let the staff member know you are either dropping off or picking up from The Heritage Group Science Camp and they will contact the appropriate museum staff member.
