Personality Awareness Mapping

[Click here](#), select 5-6 words that represent you and enter a unique name and select save.

Send a note to your colleagues/team and ask them to describe you by selecting five words with the link that is developed from doing the above action

After completion, look at your results. *Remember this is for your awareness to have conversations and action, keep an open mind.*

Questions

1. What were the biggest surprises to you regarding blind spots?
2. Which words may be helpful to you since you now know others perceptions and observations?
3. What hidden words would you like to show more often to your team members? What would be the first step you could take to move in this direction?
