

Drop-off and Pick-up Procedures

Pick up all Kids Science Camp participants using the school bus drop off/pick up drive.

Drop off: 8:45–9:15 a.m.

Pick up: 3–3:15 p.m.

Southbound on Meridian

Take first right after 32nd Street. The drive will be marked with a sign labeled "School Bus Drop Off/Pick Up."

Northbound on Meridian

Due to the Red Line IndyGo Bus, you cannot turn left into our School Bus Drop Off/Pick Up. Instead, proceed to 32nd Street and make a U-Turn at the light. Once you are heading south on Meridian, take the first right. The drive will be marked with a sign labeled "School Bus Drop Off/Pick Up."

Drop-off/Pick-up Procedure

- The school bus drop off/pick up drive is two lanes that run in the same direction. Stay in the **right lane** and proceed until you reach the STOP sign or cars that are already stopped.
 - ***This drive is also used to make deliveries, and we need to keep the lane clear outside our scheduled time period. If you arrive before drop-off/pick-up times, please make a loop around the museum and return to the drive at the appropriate time.***
- **For drop-off**, you may arrive between **8:45–9:15 a.m.**
 - Note: While we will have someone at drop off to receive campers until 9:15am, **camp starts at 9am.**
 - Please wait at the STOP sign until a staff member at Entrance 4 indicates they are ready for drop-off to begin. If you arrive after 9:15 and no staff are outside, please call the Program cell phone **(317-601-6408)**.
 - A staff member will check in with you each morning prior to dropping off your camper(s).

- **For pick-up**, you may arrive between **2:55–3:15 p.m.** to pick up your child.
 - A staff member will meet you in the line behind the STOP sign to check what camper you are picking up. Please have your car tag with camper(s) names visible.
 - * *If you do not have a car tag we will ask to see ID. Only those on the approved pick-up list will be allowed to pick-up your child.*
 - The staff member will direct you to the cone color to pick up your camper(s).
 - Wait to pull forward to Entrance 4 until a member of the museum’s staff indicates that it is safe. Several cars will be loaded at the same time.

Drop-off/Pick-up Outside of Normal Hours

- If you need to drop off/pick up your child outside of normal hours, please notify a staff member by calling or texting the Program Cell Phone at 317-601-6408.
- You will be asked to pull into The Manor parking lot and wait there until a staff member arrives.
 - If you know ahead of time please let staff know so we can accommodate accordingly.

Walking Drop-off/Pick-up

- If you plan to walk your child to Kids Science Camp for drop-off or pick-up, please DO NOT walk up the freight lane. Cars will be exiting through that lane.
- Use the stairs north of the bus/freight lane that lead to the entrance of The Manor. This will lead you to a walk-way for drop-off or pick-up.

Rain Day and Severe Weather Drop-off and Pick-up

- Rain day drop-off and pick-up will occur at the same location as regular drop-off and pick-up.
- If the weather is considered SEVERE, drop-off or pick-up will occur in the Welcome Center. Please park in the garage and enter via the skywalk. Campers will be waiting at the bottom of the ramp in the Welcome Center.

This is what to look for when driving South on Meridian Street
